

FOUR KARL SCHLECHT STIPENDS

for the

GLOBAL NETWORK OF RESEARCH CENTERS FOR THEOLOGY, RELIGIOUS AND CHRISTIAN STUDIES

In 2017, four stipends of 6,000 Euros each are available for an academic exchange within the Global Network of Research Centers for Theology, Religious and Christian Studies. Doctoral students and postdocs from institutions and schools in the Global Network are invited to apply for a stipend in order to visit another institution for one academic term, with the agreement of colleagues from both sides.

The sponsor, the *Karl Schlecht Stiftung, Germany*, would like to support projects with an ethical impact. This does not preclude applications from fields other than ethics.

We invite applications (in English) by e-mail (at mw@uni-hd.de) by April 30, 2017. For details, applicants are invited to visit www.globalnetresearch.org.

The application should include

1. a brief description of the project (about 5 pages);
2. a short *curriculum vitae* (with bibliography, if applicable);
3. a substantial nomination letter by a member of the Global Network on the sending side (1-2 pages);
4. a short note of agreement of a member of the Global Network at the institution to be visited.

A group of scholars from different fields will evaluate the applications (multiple evaluations). Please inform your students of this opportunity.

For further information, please visit:
